NEW THIS YEAR... During the tournament, each player will have one of their swings videotaped with a special camera. Several days after the event, every player will be receiving an email that opens up to their swing next to a Tour Pro's for a frame-by-frame slow motion comparison. You (and your friends) can view your swing on this tournament website for ONE YEAR from the John Gurski Memorial Golf Classic!

Dear Friends,

The family of Legendary Wilson football coach John Gurski is once again partnering with the Alzheimer's Association to organize a first class golf tournament at Golden Oaks in his memory to benefit Alzheimer's support services for families, as well as research advances into better treatments, prevention and ultimately, the cure. As we prepare for our fifth year, we hope that with YOUR help, the John Gurski Memorial Golf Classic will continue to grow and raise awareness and support for a disease that is poised to be the epidemic of the Baby Boomer population... on behalf of the Gurski family, thank you!
